

Production Workers (JLG)

Industry

Trade – Assembly and Process Work

Description

Join JLG, the most trustworthy and reliable employer to jump start your career.

Production Team Member Opportunity

About JLG

JLG builds machines that help people work safely at heights—like lighting towers, lifts, and telehandlers. Founded in 1969, JLG is now a global company known for quality equipment and strong teamwork.

About the Job

Work in the lighting tower production team, helping to:

- Build and assemble parts and equipment
- Test and check machines before they're ready to use
- Help with repairs and maintenance
- Work on the production line with a supportive team

What's Needed

- Interest in mechanical or electrical work
- Good attention to detail
- Reliable and ready to learn
- Must pass a pre-employment medical and drug & alcohol test

Why Work with JLG?

- Full-time, Monday to Friday
- Great team and safe working environment
- Learn from industry leaders
- Immediate start available
