### Employment Type

Full-time

Tagteam Australia is a leading Australian owned and operated electrical contracting company specializing in all aspects of electrical and Fire Services. An opportunity exists for a motivated **Trade Assistant/labourer** to join our Rail Infrastructure team covering the Greater Northern NSW and Western NSW region.

The role will be based within our rail/Infrastructure services team specifically the Greater Northern NSW and Western NSW region. In this role you will be required to work as part of a team and autonomously. In conjunction with our service coordinators you will be required to manage your daily schedules to ensure all of our client's needs are met consistently. You will be maintaining critical government and non-government building assets with a combination of planned and corrective maintenance services.

To be eligible, you must have a great attitude & a can do mindset. Electrical trade assistant experience is a bonus but not essential.

As the successful candidate you will:

- Have a construction white card
- Ability to learn and adapt to various work environments
- Champion a safety-first culture across all aspects of the project
- Able to pass routine drug and alcohol screening
- Be organized, self-motivated and reliable
- Good written and oral communication skills
- proven experience in client engagement and maintain client relationships
- Experience Operating Web based applications
- Be dedicated to the role with a positive, can-do attitude

In return, you will receive:

- Attractive and competitive remuneration
- Exposure to leading industry projects
- Training and development opportunities
- Uniform
