Wingham Beef Exports has an exciting opportunity for 1st Year Apprentice

Maintenance Fitter

Who is NH Foods?

An Australian company with a global reach, we are leading the way with the production of our premium and iconic beef brands at our Wingham Beef Exports site, for the world market. Located in the picturesque Manning Valley in the Barrington Coast region in NSW, Wingham Beef Exports is part of a global company with a global purpose – to deliver the joy of eating.

What does JOY mean to you?

The joy of achievement – supporting your career development?

The joy of new experiences – the prospect to choose from a range of diverse employment opportunities?

The joy of no limits – manage your work-life balance?

The joy of opportunity –progression internally?

The joy of belonging – connect with your work and community?

At NH Foods we empower our team to take on the most challenging, inspiring, and rewarding work of their lives.

What is the Opportunity?

This job offers a 4-year competency-based training program with paid TAFE attendance during work hours, combined with structured on-the-job training. Position commencing Mid January 2026.

You will be supported by ongoing mentoring and coaching from specialist tradespersons.

Suitable applicant must have a genuine interest in pursuing their chosen career path.

Successful applicant will need to possess the following attributes;

- Motivation to succeed and a willingness to learn;
- Values team work and has a positive attitude to working in a safe and productive manner;
- Ability to follow directions with excellent attention to detail;
- Ability to listen and understand customer and company requirements;
- Completion of year 10 or equivalent;
- Take pride in your work
- A current drivers license is preferred
- Committed to a four year apprenticeship
- Be reliable, punctual and enthusiastic.
- Have a passion for the trade.
- Have an awareness of Work Health & Safety (WHS) requirements

Contacts

An Apprenticeship can open up a world of many opportunities.

Applicants must be willing to undergo a pre-employment medical & drug screening.

If this sounds like the job for you, submit your application by clicking the 'Apply' button with your resume and a covering letter.
