1st Year Apprentice Motor Mechanic

Launch Your Automotive Career with JAX Tyres & Auto Taree

Love cars? Always tinkering? Ready to turn your passion into a real trade career?

JAX Tyres & Auto Taree is looking for a driven and enthusiastic **1st Year Apprentice Motor Mechanic** — whether you're brand new to the trade or have already started your 1st year and want to continue your apprenticeship in a more supportive, hands-on workshop.

With over 75 years in the industry and 95 stores nationwide, JAX is one of Australia's most trusted automotive brands. We don't just offer jobs — we build long-term careers.

Why This Is a Great Start

- Clean workshop with up-to-date equipment
- Real hands-on mechanical experience from day one
- One-on-one mentoring from experienced, supportive technicians
- Exposure to tyre fitting, servicing, brakes, suspension, diagnostics & repairs
- Full support to complete your Certificate III in Light Vehicle Mechanical Technology
- Clear pathway to become a qualified technician within our national network

This is your chance to begin your career in the industry.

Who We're Looking For

- Currently in your 1st Year **or** ready to commence your apprenticeship
- Passionate about the automotive industry
- Reliable, punctual and eager to learn
- Mechanically minded with strong attention to detail
- Positive attitude and team player
- Driver's licence

The JAX Difference

At JAX, apprentices aren't just there to sweep floors — you'll be learning real mechanical skills, Tyre Fitting, Wheel Alignments, working on a variety of vehicles, and building confidence every week.

We invest in people who want to build a future in the trade.

If you're serious about becoming a qualified Motor Mechanic and want to do it with one of Australia's most recognised and trusted automotive brands, we want to hear from you.
