Industry

Automotive

Description

[Caravan Repairer or Traineeship](#)

Port Macquarie Accident & Repair Centre

Port Macquarie, Port Macquarie & Mid North Coast NSW

Full time

Caravan Accident and Repair Centre located on Geebung Drive, Port Macquarie are currently looking to for a Caravan Repairer and/or Caravan repair Traineeship

Trade Qualification is not essential, you may be a carpenter, metal roof plumber or have previously worked with aluminium.

At Caravan Accident and Repair Centre we pride ourselves in repairing and servicing all makes and models of Caravans and Camper Trailers.

Our repairs range from general services through to extensive accident repairs and hail damage. We also install Caravan accessories such as awnings and electronics.

Mechanical work may involve servicing, wheel bearings and brake systems.

Drivers License is preferred.
