About you

You're keen to learn a new trade and can commit to the on-the-job and formal learning requirements. You enjoy collaborating and working towards a common purpose with others and can communicate openly with your team members and leaders. You're also accountable in terms of prioritising work and managing your time to make sure you carry out all your work and study commitments to a high standard.

Essential requirements

- You're an Australian/NZ citizen or an Australian Permanent Resident
- You're available to commence full-time employment in January 2025
- You currently hold a Class C Drivers License or are in the process of obtaining one by January 2025
- As some travel is required, you must have reliable transport to travel to the office/depot and field-based work locations
- You're comfortable with working at heights, in confined spaces or in live traffic environments
- You're willing to work outside regular working hours including nights and weekends as required
- You can demonstrate basic computer literacy.

Who we are

Transport for NSW provide a safe, integrated and efficient Transport System. We connect people, community and industry everyday.

At Sydney Trains, our rail services keep Sydney moving by putting our customers at the centre of everything we do. We work with our local communities to deliver safe, timely and efficient rail services 24 hours a day, seven days a week.

Our trains and network are evolving to meet the needs of our customers now and well into the future. We're continuing to integrate technological innovations that help us deliver a smarter and more sustainable network.

Join us

Our workforce is as diverse as the community we serve. If you'd like further information on our inclusion and diversity initiatives, visit [Transport careers](#).

We offer a wide range of [employee benefits](#), like our award-winning flexible and hybrid work options.
