

16 August 2021

Dear Year 12 Students, Parents and Carers

Further to the communication you received Sunday 15 August 2021, I am writing to provide further clarity around the impact of the COVID-19 Stay at Home Orders for HSC students.

Please find below information on Trial HSC examinations.

After much discernment and consultation with the Lismore Catholic Schools Office and advice from Catholic Schools NSW and NESAs, the HSC Trial exams scheduled for Week 6 will be modified to be administered online.

The two exams scheduled for today have been rescheduled to Friday 20 August 2021. All other exams will occur at their original scheduled start time as per the Exam Timetable, commencing tomorrow (Tuesday 17 August 2021).

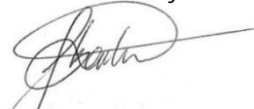

Please note the following in relation to all remaining exams:

- The remaining exams have been modified so that they are suitable for an online format.
- In general, this means that the tasks have been restructured to an assignment or essay style format
- Students can get further clarification about each exam that they have from their individual teachers or the exam supervisor (listed on the timetable)
- It is expected that the modified tasks will not require all of the time that has been allocated in the timetable.
- Student can still gain access to reader/writer assistance should they require it. (instructions are included on the attached document)

Students should have received the amended timetable (see attached) via email today at approximately midday.

If you have any concerns please don't hesitate to contact the College.

Yours sincerely

Andrew Banham
Assistant Principal
